

VLT Band Meeting Report

Tansi Community membership, my name is Barry Wilson and I am the Manager of the VLT operation, I also manage the Community Hall bookings. This is my report of the VLT operation.

Staffing

We currently have 5 full time cashiers, 2 custodians which are part time, and 6 casual cashiers. Full time make 80hrs per pay period, part time make 60hrs per pay period and casual when needed to cover average 20-40hrs per pay period.

Board of Directors

The Board for the VLT operation is Chief and Council, along with the Director of Operations.

Operation Highlight

Currently looking at the return of having the VLT's open on Sundays. Just waiting on confirmation from Manitoba Lotteries on when the VLT machines could be turned on and have to meet with F.R.E.D organization on how we can work out security coverage as they provide the security services for the VLT operation. Watch for the announcement coming in the very near future. We currently operate Monday to Saturday, 10am-1am.

In-person Bingo

We will be going through a change with our Bingo personnel, with Rachel Thickfoot retiring, I have been speaking with some individuals to see if they would be interested in working the bingo's. In the hope that we can get bingo to happen Monday, Wednesday, and Fridays. Currently only running Monday and Fridays. We also want to have a suggestion box put out to hear from our bingo players on suggestions you may have on how we might be able to improve our bingo operations. In the hope that we can bring in more support for our bingo operations. This will be coming soon as well.

I would like to thank you for your time, in reviewing my report. If you have any suggestions for any of the information you have heard or read, please feel free to contact me at the VLT's. My direct line is as follows; 204-645-3426, if not in my office you can leave a message for me to contact you at 204-645-4310.

Ekosi,

Barry Wilson

VLT/Hall Manager
